

To strengthen our team we  
are offering a position as:

# Service & Marketing (m/f/d)

Full-time, permanent position

## What awaits you

- Marketing: develop and implement strategies and tactics to inform about our company
- Contact person for worldwide technical support with the responsibility to provide the best customer-specific support
- Support of product management and marketing in questions concerning the further development of the product portfolio
- Internal training for testing and repairing equipment
- Creation and maintenance of technical documentation

HighFinesse is a leading global manufacturer of wavelength measuring instruments in the field of optical measurement technology and a spin-off from the University of Tübingen. You work in a modern and owner-managed company together with an international team with a flexible working environment.

## What is important?

- A degree in engineering or natural sciences and sound knowledge in the field of laser
- Enjoy a communicative position
- Very good German and English language skills, spoken and written
- Interest in communicating technical contexts in a simple yet precise manner
- First experiences in cooperation with customers/partners in the area of products requiring explanation are advantageous
- Ideally you have already worked with a ticketing system

Here you participate in the new and further development of innovative products in an open and team-oriented atmosphere. We offer creative freedom and cordial cooperation in a high-tech environment of a medium-sized company with flat hierarchies and short decision-making processes.

## Your advantages

- Confidence-based working time
- On request electric bike
- Fruit, snacks and coffee free of charge at the workplace
- On Wednesdays common lunches at company costs
- Corporate events: e.g. Skiing
- Family friendly
- Good development opportunities through early acceptance of responsibility
- Advanced training program

If you are interested in this position, please apply with meaningful application documents and stating your earliest entry date.

Mr. Harman Thukral will be happy to answer your questions by phone or email.
